Acting Deputy Assistant Director, Scientific Intelligence

Polygraph Research Contract

1. I have just received from ~~James H. Doolittle~~, Chief of Naval Research (CNR-332, Wash. D.C. 20340), the attached two status reports from John ~~W. Doolittle~~ ~~W. Doolittle~~ on the research project covering side-tone delay procedures. I will call ~~W. Doolittle~~ asking that in the future his contacts with the Agency on this project be channeled to you. ~~John~~ Dick

2. Attached also is a form prepared by the Office of Intelligence Coordination which they would like to have prepared for their records. As you know, all of the AMTORGRA files except the TS documents, which are now being processed, have been turned over to ~~the Bureau~~ and he should have available to him the information necessary to complete this form.
